

## MPS STEM Safety Rules

1. Know the class emergency plan.
2. Follow the teacher's written and oral instructions carefully. Ask questions if you do not understand what to do.
3. Never taste, eat, drink, or inhale anything used in science activities.
4. Keep your hands away from your face, eyes, and mouth during science activities.
5. Wear safety goggles or glasses when instructed.
6. Notify the teacher immediately if you have an accident or an injury.
7. Be respectful of others and their space.
8. Clean all work areas and equipment at the end of the experiment.
9. Keep all science materials with the STEM teacher/in the STEM lab.

### Safety Contract

I have reviewed these safety rules with my teacher and my parent/guardian. I agree to be a responsible scientist.
